Baltic-American Dialogue Program

Support for the Exchange of Global Ideas

Dear Applicant,

Thank you for your interest in applying for support from the Baltic-American Freedom Foundation (BAFF) Baltic-American Dialogue program. The BAFF mission is “to enrich the ties between the United States and Estonia, Latvia, and Lithuania through programs of education and exchange centering on economic growth and democratic values.” BAFF achieves this mission through programs like the Baltic-American Dialogue program.

Baltic-American Dialogue funding is designed to foster the exchange of ideas between the Baltic states and the U.S. and to stimulate international collaboration on topics of mutual interest. Public organizations in Estonia, Latvia, and Lithuania are invited to apply for funds to host a U.S. speaker for a program of their own design to address the interests of their unique constituencies.

Proposals will be evaluated according to the demonstrated benefit for both Baltic and American participants, the relevance of the proposed topic, and opportunities for cross-Baltic collaboration, as well as on the submitted budget rationale and detail. As you prepare to submit your application, please consult the Baltic-American Dialogue Application checklist. Use the checklist to gather all of the documents required to complete your application. All application documents must be submitted at the same time by the stated deadline.

For further assistance, please contact us at info@BalticAmericanFreedomFoundation.org.

Sincerely,

Ilze Doskina
Regional Program Director
