

Myths And Truths About Grants

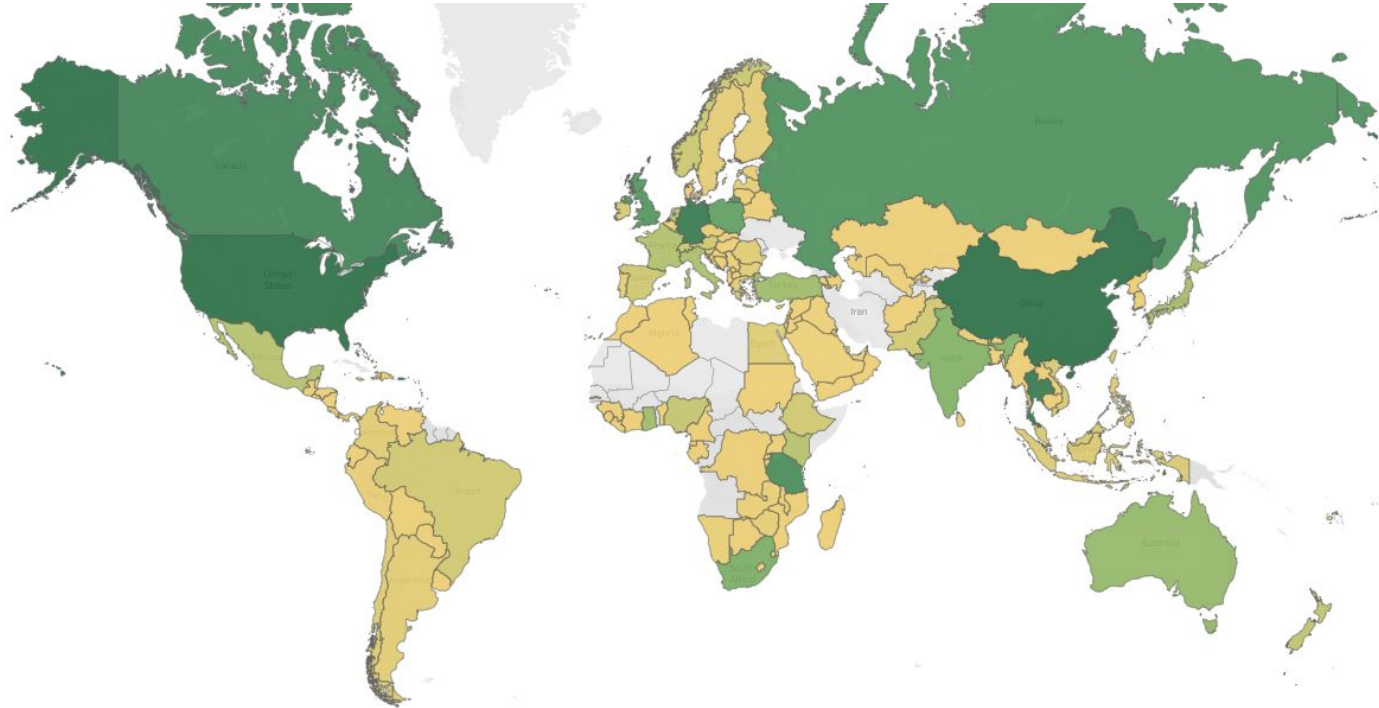

in Montessori

Facts About Montessori

- A research was done: Montessori Global Census 2022
- Dr. Angela Murray, University of Kansas and colleagues
- Full report for download - resources in the Training FB Group
- Montessori education is distinct in 154 countries around the world
- 15 763 Montessori schools were documented
- There are approximately 20-30 000 Montessori organizations in the world
- No research on how many Montessori schools use grant money has been done so far
- My informed estimate is that not more than 25% Montessori organizations use grants!

Montessori Around the World

False Assumptions - Myths

- Majority of Montessori schools around the world are private owned and private programs can not apply for grants!
- The biggest expense is teacher training and materials and no one will give us free money for that!
- Montessori individuals cannot apply for grants because they are not part of an organization.

Facts - Truths

- There are different types of Montessori organisations. Which are you? Your organisation can apply for grants regardless of the type of legal entity it is. You just need to find the right grant funder.
- Each Montessori organisation can find their own right grant funder who will pay for teacher training and materials can be paid for with grants.
- And Montessori individuals can also apply for grants!

Facts - Proof?

We have done all of that in Prague.

We have seen people in all continents of the world to do that.

What others have done, you can do too!
